BESKRIVELSE

Package of 3 Townhouses for sale. This investment property consists of 3 townhouses - all are very well let to tenants with very good credit. The properties were built between 2006 and 2009 and are in very good shape. Every house has 3 bedrooms, 2 bathrooms, a seperate kitchen nice bright living room with access to the terrace and the privat garden. In front of the houses are private parking lots. The properties are equipped with modern kitchen and builtin wardrobes. The residential provide a very nice pool area and greenery. ItÂ´s located very close to all amenities (supermarket, shops, bars and restaurants). Alicante Airport is 35 min away by car and the nice sandy beaches as well as the famous entertainment locations and countless beach bars and restaurants of Benidorm are only a 15 drive away. The management of of the property is operated by an agency. The costs are part of the rent. This investment in properties, located in one of the most popular holiday areas in Europe offers not only a stable cash-Flow, continous capital growth but also ensures high and stable interest rates. As needed, we provide you with

all important business key figures and identify your return of investment. The houses can be purchased individually, as well as in the package. An appraisal report is available. Are you interested in this object? Call us for more information
