BESKRIVELSE

A fantastic project for a modern design villa in Calpe with open views toward the Peñon de Ifach. The property is distributed on 2 floors. The main level is at the same level as the pool. It comprises a lounge-dining area with adjacent open plan kitchen with cooking island, the master suite with dressing area and en-suite bathroom plus a laundry-storage room and a guest toilet. From the kitchen, living and master suite you have direct access to the ample pool terrace. With the internal staircase you go up to the top level where you find 3 bathrooms en-suite. The villa comes with a private pool, garage and 2 parking places on the plot. The villa will get a luxurious finish and will offer a lot of comfort to those living there.
