BESKRIVELSE

Cozy bungalow with fantastic views of the sea and the mountains. The house is completely renovated and is distributed in a living room with a fireplace, an independent kitchen with a gallery, two double bedrooms, a bathroom and a sunny terrace with views accessed from the living room. The house is located in a beautiful urbanization with large gardens, large community pool and sports court. The urbanization is located in a quiet area of La Nucia and well connected, close to the supermarket.
