#### BESKRIVELSE

Fantastic place located in a privileged place between Altea and Albir, it is located in front of the promenade that connects these two towns. The place has many possibilities, since it has a large capacity, which allows it to have a large capacity of customers. It is delivered fully equipped to operate as a restaurant. This has a magnificent terrace that surrounds the restaurant, inside we find a bathroom, four toilets, as well as a kitchen along with a large warehouse, at the back of the premises there is a door that allows you to unload the merchandise without any Type of problem.
